

2021 Annual Report

A year of determination, growth, and community impact in Syracuse, NY.

Letter from the Founder

Dear Friends,

Every year I am reminded that determination is contagious. When one young person discovers what they are capable of, their family sees it, their classmates see it, and our whole community grows stronger. Thank you for standing with us.

- Mrs. Bettie Graham, Founder & Director

Program Highlights

- Autism Support: tailored programs and family resources for individuals on the autism spectrum.
- Children's Development: tutoring, arts, and life-skills programming in partnership with the Syracuse City School District.
- Elder Care: companionship visits and activities for seniors.
- Homelessness Assistance: stability, resources, and pathways to independence.
- Environment: community gardens and hands-on environmental education.
- Pets: responsible pet ownership and animal care programs.
